About ZOHO Corp.

In its Thirteen years of successful operations, ZOHO Corp. has emerged as a strong and profitable organization with more than 40,000 customers worldwide across 150 countries. ZOHO Corp. is headquartered in Pleasanton, CA with offices in North America, Europe, Asia and partners worldwide. With a profitable business model and a heavy emphasis on R&D, ZOHO Corp. wants you to Expect More from ITTM.

History

Founded in 1996, ZOHO Corp. is a strong and profitable organization providing software for a variety of enterprise IT and telecom management needs. It has achieved consistent growth over the past eleven years without seeking outside investment capital.

ZOHO Corp. has three divisions, each focusing on different market segments.

- Zoho.com - The division focused on Online Business, Productivity & Collaboration Applications
- ManageEngine - The division focused on Enterprise IT Management and
- WebNMS - The division focused on the needs of OEMs.

Markets Served

Communications Equipment Vendors

ZOHO Corp. offers end-to-end network management solutions for communications equipment vendors that enable element and network management systems, agents and comprehensive testing and simulation tools. Customers in this segment include Ericsson, Lucent, Motorola, Movaz, Nortel, Samsung, Siemens, UTStarcom, and ZTE.

WebNMS is a division of ZOHO Corp.

Service Providers

WebNMS's Service Provider solutions consists of carrier-grade network management systems, multi-protocol mediation, TL1 mediation, remote monitoring, management applications and additional features that are targeted towards Network Service providers, Managed Service providers and others. Customers in this segment include AT&T, Sprint, Chunghwa Telecom and Korea Telecom.

Enterprises

ManageEngine is the leader in low-cost enterprise IT management software. The ManageEngine suite offers enterprise IT management solutions including Network Management, HelpDesk & ITIL, Bandwidth Monitoring, Application Management, Desktop Management, Security Management, Password Management, Active Directory reporting, and a Managed Services platform.

ManageEngine products are easy to install, setup and use and offer extensive support, consultation, and training. More than 35,000 organizations from different verticals, industries, and sizes use ManageEngine to take care of their IT management needs cost effectively. ManageEngine has customers from more than 70 countries. Customers in this segment include HP, EMC, Applied Materials, NASA, DuPoint, Lockheed Martin, StorageTek, and Sony.

ManageEngine is a division of ZOHO Corp.

Productivity, Collaboration & Business Applications

Zoho.com is a comprehensive suite of award-winning on-line business applications. Customers use Zoho.com to run their business processes, manage their information and be more productive while at the office or on the go, without having to worry about expensive or outdated hardware or software.
